

## A GENUINE CSR POLICY

In 2018, CONDAT went one step further in deploying its CSR policy. In order to illustrate its actions in this field, CONDAT SA has joined the ECOVADIS platform.

### ECOVADIS in short

- A globally recognised platform to measure businesses' actions in the field of Corporate Responsibility
- Assessment by an independent body using 21 criteria split into 4 themes

- Energy consumption
- Water
- Biodiversity
- Local pollution
- Materials, chemicals & waste
- Product use
- Product end of life cycle
- Health / Consumer safety
- Sustainable consumption

- Employee Health & Safety
- Working conditions
- Social dialogue
- Career management & training
- Child labour & Forced labour
- Discrimination
- Basic Human rights

- Corruption & extortion
- Anti-competitive practises
- Responsible marketing

- Supplier environmental performances
- Supplier social performances

### The CONDAT SA results:

### SILVER level - confirmed

A performance that puts CONDAT level with the 30% of global companies with the best Ecovadis scores.

**OUR AMBITION:**  
TO BE A MORE RESPONSIBLE BUSINESS
